Makes It Happen

James Logan Marching Band & Guard

Fun...
Easy...
Profitable!

Dear Parents and Participants:

It's time for our ever popular ButterBraid Fundraiser. Our goal is to raise \$5,000 for our Marching Band and Color Guard program. Together we can make a difference. This is a great opportunity to build your student's account!

For those of you who may not be familiar with ButterBraid, they are delicious premium frozen pastry products that buyers will truly enjoy as well as a flavorful variety of cookie dough! In line with the physical distancing requirements, this is set up as an online fundraiser Vs. the traditional paper order form. A unique link for your Student's online Seller Account was emailed to you. Be sure to share that link with your friends and family!

Your child's fundraising goal: 10 Items

Every 15 items sold earns a \$5 Starbucks gift card bonus!

Important Dates
